Dear Applicant,

Thank you for your interest in the position of an English teacher with a TLR2a responsibility for SEND. This is a very exciting time for St Anne's as we build upon the excellent and sustained outcomes of the English Department last year. For example, English Grade 5 plus was above the National Average and English progress was a fantastic +0.37. The school has undergone massive changes at both Senior and Middle Leadership level, all of whom are committed and hard-working professionals. The successful candidate will be ambitious and will support both the English department and the SENDCo. Furthermore, St Anne's is a school on a rapid improvement journey, and I am looking for a great teacher/leader who will inspire our students and will be at the forefront of meeting our vision, which is to become an outstanding Catholic school.

St Anne's is a fully comprehensive school, and the successful candidate will be able to engage, inspire and challenge students across the full range of ability. The candidate must be driven by ensuring that students receive an outstanding education which is reflected in outstanding student outcomes. The successful candidate will gain a wealth of experience, including working alongside an outstanding English department.

-  A supportive staff network that will reflect our Catholic ethos.
-  A commitment to excellent professional development and the successful candidate will have access to support from an outstanding English department.
-  An outstanding SENDCo who ensures that SEND is at the forefront of the Quality of Education
-  A commitment to excellent professional development, including supporting the National SENDCo qualification.
-  A rapidly improving school with a new body of staff committed to the Improvement of SA
-  £3million site renovations to ensure an environment conducive to learning
-  An excellent opportunity for further promotion

### **What are the Governors looking for?**
