

30th June 2023

Dear parents/carers of Yr11 Students

Yr11 Prom, Thursday 29th June

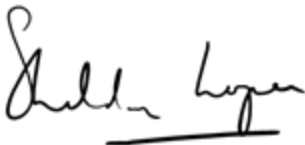

I write the following to say how proud the staff and I were with the conduct of your children last night at Hotel Football. The conduct, behaviour, and maturity of all the children was a **'joy to behold'**. They were true ambassadors for the St Anne's community!

From the moment the students entered the function room at Hotel Football they looked smart, happy, and confident! They loved the decorations and thoroughly enjoyed the awards element of the evening and the dancing! I wish you could have heard their comments and the expressions of sincere pride and gratitude toward the staff, in particular, Ms Millward, who planned and executed the event with careful and thoughtful attention to detail.

St. Anne's parents should be very proud and pleased to hear that the student's behaviour and conduct was outstanding, an exemplary character of your sons and daughters. What was really pleasing was the seamless positive relationships and interactions between students and staff, a real strong community feel.

Finally, thanks for the past few years. It has not always been easy, but I hope that your child remembers all the positive and good things about St Anne's. Last night was the icing on the cake!

I wish each and every one of them success as they move forward to their college years.

Mr Logue
Executive Headteacher
